This season, we're celebrating two special milestones: Artchart's anniversary on April 3 and Artibition's on May 19. To mark the occasion, we've prepared a selection of exclusive gifts and special offers.

Whether you're an art enthusiast or a professional in the field, there's something exciting waiting for you. Please read the details of each offer carefully, including the terms and conditions, before making your selection.

A Special Gift for New Artchart Members

According to Artchart's standard policy, every new user receives a one-day free trial upon registration, providing access to a wide range of data. After the trial ends, continued access requires a paid subscription.

However, during our limited-time discount campaign, we're offering new members an extended gift: one full month of free access to Artchart's subscription features.

With your free membership, you'll gain access to:

- Art market analytics
- Artist market performance insights
- Artist market comparisons
- Price estimates and sales data for Iranian artists' works in past, current, and upcoming auctions
- Information on Iranian galleries and artists participating in international art fairs
- Records of the highest-selling works by renowned Iranian artists
- Price estimates and auction results for artists from the Middle East and North Africa
- Annual reports on the Iranian art market from previous year
